Business: Members and guests hiked the new trail loop and noted features and improvements needed. Found salamander eggs in the vernal pool. Flagged a re-route at the beginning/ending of trail to avoid wet spots near the parking lot. Could use a load of gravel at the trailhead. Need a sign at the trail junction near the hilltop. Old trails need to be blocked off better.

Domina will contact Mike Kowalczyk to go over the connector to the rail trail
Domina will contact Jeremy Turner at Meadowsend to finish the trail re-route.
Members need to discuss maps/kiosk/educational signs desired.
